Join fellow regulatory agency professionals for an in-depth analysis of current issues affecting regulatory boards.

CONFERENCE CONTENT

The 2018 FARB Forum will bring together leading experts from across the country to discuss the latest trends in professional regulation. This exceptional educational program delivers the tools and information needed to ensure the efficient and effective operation of state regulatory boards. Designed for board members, board administrators, investigators and board attorneys, the Forum is educationally driven and includes sessions related to administering state professional licensing boards. Attendees have the option to attend a four-hour Thursday evening Comprehensive Regulatory Training (CRT). The Forum is always interactive and will provide an unparalleled opportunity to network with members of the regulatory community across jurisdictions and professions. As always, throughout the conference, relevant videos and news stories will be presented.

COMPREHENSIVE REGULATORY TRAINING (CRT)

This interactive session is designed to provide comprehensive training for board members, staff, investigators, attorneys and other stakeholders in the professional regulatory licensing system. The CRT course has been developed to cover all aspects of regulation and board operations, including scope of authority, responsibilities, conflicts of interest, immunity, discipline and outreach. Attendees may attend just the CRT without registering for the entire conference.

CONTINUING EDUCATION

FARB is an approved Illinois Minimum Continuing Legal Education (CLE) course provider. We estimate attendees will earn 12 CLE credit hours at the Forum. Attendees can anticipate an additional 4 hours of CLE credit if attending the optional Comprehensive Regulatory Training (CRT). Other professions may be able to use FARB courses as continuing education. Attendees must submit required information to their appropriate jurisdictions as necessary.

FEES

Registration for the Thursday Comprehensive Regulatory Training session is \$325 and includes non-alcoholic beverages and dinner. Registration fee for the Forum is \$700 for members and \$850 for non-members and includes daily breakfast, lunch on Friday, and a reception Friday evening. Please forward the registration fee to FARB as soon as possible. If the fee is not available at the time of registration, it may be sent later or paid upon arrival at the conference.

MEETING MATERIALS

Prior to the conference, all attendees will receive an email with instructions on how to access the meeting materials online. The meeting website with the materials will be accessible during the conference via Wi-Fi. Paper materials are not available at the meeting.

TRANSPORTATION

Attendees are responsible for securing their own transportation to and from the airport. Super Shuttle San Diego is offering a \$2 discount on one-way reservations and a \$4 discount off round-trip reservations. The reservation link can be found at www.FARB.org.

CORONADO WALKING FOOD TOUR

Join FARB on a Coronado walking tour that starts on the beautiful San Diego Bay and guides you down bustling Orange Avenue, towards the historic Hotel Del Coronado. During your walk, hear how “The Crown City” has roots that tie back to Spanish settlers dating to the 17th Century. The food you are sampling is surely the best food San Diego’s little sister island has to offer. While you gab and grab grub, your tour guide will tell you all about the funky little “Peninsula in the Port of San Diego” and how it has influenced California culture. The walking food tour will be Saturday afternoon on January 27, 2018. Walking tour pricing and registration details are available on the Forum registration page. Please sign up for the tour by Wednesday, January 24, 2018. Guests welcome.
